Recipe for: Berry Cobbler

From the kitchen of: Louise Maley

Story

My mother in law in Oregon berry country gave me this recipe 53 years ago. She died in March at age 105. I make it often with fresh or frozen raspberries, blackberries, sour cherries or blueberries. Very quick and always excellent.

Sift together: 1 cup flour, 1/2 cup sugar, 3 level teaspoons baking powder, 1/2 teaspoon salt. Then add 2 Tablespoons melted butter and 1/2 cup milk and mix. Grease baking pan, add batter, pour berries on top, sprinkle with 1/4 or 1/2 cup sugar. Pour one cup boiling juice or water over mixture and bake 20 to 25 minutes at 475 degrees.
